

# Finish@UT/UTOC Transcript Contacts

06/01/2020: As many campuses are working remotely during the COVID-19 pandemic, some campuses do not have the ability to send or receive physical mail at this time. I have noted below the campuses that will be sending and receiving electronic copies of transcripts, and those who are still able to receive physically mailed transcripts. Please be patient, as some campuses are experiencing delays with grades being posted.

After grades are posted at the end of a semester, Host Campuses may use the Host Campus transcript report in the Finish@UT portal to know which transcripts need to be sent to students' home campuses.

Host Institutions should send official transcripts to the contacts/offices listed below. Please email a list of the transcripts sent and a list of those not sent, with the reason, and please copy [Finish@UTsystem.edu](mailto:Finish@UTsystem.edu).

Home Campuses may use the Home Campus Transcript Report in the Finish@UT portal to know which student transcripts to expect from the various Host Campuses.

Please send all transcripts within one week of grades being posted.
